5.3.1 Number of awards/medals for outstanding performance in sports/ cultural activities at inter-university / state /national / international events (award for a team event should be counted as one) during the last five years.

Extra-curricular activities like sports and cultural activities plays a significant role in students' academic career. M.A.M. School of Engineering encourages student to participate in extra-curricular activities. With constant support and motivation, students bring laurels to the Institution at State, National, Zonal and University level. Notably M.A.M. School of Engineering Badminton team is maintaining its top position among all the team under Anna University. The students participated and won in various cultural events both at District and State level.

5.3.1.1 Details of awards/medals for outstanding performance in sports/ cultural activities at inter-university / state /national / international events (award for a team event should be counted as one) year wise during last five years
