Policy Document on the Code of Ethics

Context

M.A.M School of Engineering is pleased to declare its policy of Code of Conduct and Ethics to be abided by the Faculty Members and Students. This Policy indicates the standard procedures and practices for appropriate Conduct and Ethics for the entire Faculty as employees and all the Students

Objectives

The following are the objectives intended to be achieved by the Institution through the code of Ethics Policy.

1. To ensure dignified and cultured behavior of faculty members at all times befitting the noble teaching profession.
2. To ensure fair and honest work ethic among students
3. To ensure peaceful and constructive learning environment in the Institution free from harassment.

Scope of the Policy

The Code of Ethics Policy aims at outlining the fundamental character ethic to be practiced at all levels of the Institution.

Policy:

The Institution focuses to build the right character required for a professional education system at all levels beginning with administration, faculty and students.

The Institution believes in equity and justice for all and shall not encourage any form of discrimination or harassment

The management of the Institution shall offer a free and fair environment for the development of faculty and students.

The Institution shall create an environment of participative management.

The institution shall ensure proper student conduct at all times in the campus
