7.1.10 Report on the student attributes facilitated by the Institution

To foster all round development of a student, there is a need to strike a balance between syllabi curriculum, co-curricular and extracurricular activities. Co-curricular activities give the students an opportunity to develop particular skills and exhibit their non-academic abilities. Extracurricular activities offer the students an opportunity to work with others and gain essential life skills.

Through all these activities and other extracurricular activities and by serving in various committees, students improve their leadership, interpersonal skills and self-confidence. This also allows them to link their academic knowledge with practical experience thereby leading to a better understanding of their own abilities and career goals. The college feels proud that our students have been successful in various fields such as IT, Industry, Banks and Government sector. Through cultural activities, our students are able to develop themselves in a desired field and also improve skills such as organizational, presentation and leadership.
